1. Please provide your views on the Procedure Change Proposal, including any objections or suggested revisions:

LGP is a member of the Rules Development Implementation Working Group and has participated in all the developmental workshops for the new Balancing and Ancillary Services Market.

LGP supports the New Market Procedure Proposal on the grounds that it is in harmony with the workshop presentations and reasonably and pragmatically implements the requirements of the new Balancing Market.

2. Please provide an assessment whether the Procedure Change Proposal is consistent with the Market Objectives and the Wholesale Electricity Market Amending Rules.

LGP considers that the New Market Procedure Proposal is in harmony with the Rule Change Proposal implementing the New Balancing Market and by extension all the Market Objectives.

3. Please indicate if the Procedure Change Proposal will have any implications for your organisation (for example changes to your IT or business systems) and any costs involved in implementing these changes.

The proposal does not have any implications for LGP

4. Please indicate the time required for your organisation to implement the changes, should they be accepted as proposed.
